REPORT YOUR SIGHTINGS AND HELP US MONITOR  
MUNTJAC POPULATIONS

**You are  
entitled to  
control  
muntjac on  
your land**

## SHOOTING

Muntjac can be shot **all year** during **daylight** hours by an **authorised person** as they have no breeding season

### Who is an authorised person?

- ⇒ The occupier of the land where the shooting is taking place
- ⇒ Any member of the occupier's household with permission from the occupier of the land where the shooting is taking place
- ⇒ Any person in ordinary service of the occupier with permission from the occupier of the land where the shooting is taking place

**NOTE: the authorised person must be licenced to use a firearm**
